NEW OPENINGS

Sneak Peek at 5 Napkin Burger

5 Napkin Burger, an import from NYC in the Back Bay's Shops at Prudential Center, comes off as an upscale brasserie with subway-tile walls, comfy banquettes, booths and dark-wood tables, and a handsome mahogany bar stocked with 60-plus bourbons, 80-some beers (mostly American craft) and plenty of wine; the signature burger – a 10-oz. ground-chuck behemoth slathered in Gruyère cheese, caramelized onions and rosemary garlic aioli (\$10.95) – is joined on the menu by the likes of lobster-roll sliders, steak frites and even sushi.

Dinner starts March 23, with lunch to follow soon after.
